# LETTER FROM THE PRESIDENT

Dear BRAHM Family,

Thank you for the honor you have given me by your confidence and support as President of BRAHM for the past three years. It has been with the unwavering support of the great Board of Directors of BRAHM, our tremendous Staff, and your joining in this journey we have been on together that makes BRAHM the jewel it is!

This past year has been one of extremes - that is an understatement! From record attendance and terrific exhibits, to the reinvention of BRAHM in a virtual world - our fabulous Staff has risen to every challenge and performed in a way beyond professional! Not enough praise can be given to them one and all. Thank you Staff, you are amazing!

There is not enough space on this page to talk about our many exhibits - I'll let the photos and memories do the talking and allow Executive Director Lee Carol Giduz, our Curator Dianna Cameron, the entire staff, and our many unsung heroes - our volunteers - to take the credit. It is for us the BRAHM family to say thank you! To the outgoing Board it is inadequate to say thank you for all you have done and given. To Sandy Huff, our incoming President and to the incoming Board, we have your back as you have had ours. Thank you each and everyone for being a member of The Blowing Rock Art and History Museum! You each make the Museum better.

Sincerely,  
Bo Henderson  
BRAHM Board President

# ENRICH EXHIBITIONS

In perhaps our biggest accomplishment to date, BRAHM featured two monumental exhibitions highlighting the story of the Cone family in North Carolina and the famous art collection of Dr.

Claribel and Miss Etta Cone. The sisters believed that art encouraged vital conversations and created a significant collection of modern art, including over 500 works by Henri Matisse.

Over 17,000 visitors came to see the Cone Sisters' collection and stories of the Cone family in ways that had not ever been shared before. We were fortunate to display artwork bequeathed to the Baltimore Museum of Art, Weatherspoon Art Museum, and private collections within the Cone family.

Special thanks to Wells Fargo, the lead presenting sponsor of Modern Visions, Modern Art, as well as Carrie Streeter, Historian and Guest Curator, the Baltimore Museum of Art, the Weatherspoon Art Museum, the Blue Ridge Parkway Foundation, the National Park Service, the Greensboro History Museum, the Blowing Rock Tourism Development Authority, Moses H. Cone Memorial Hospital, Appalachian State University, Welborn & Patricia Alexander, Nancy Hirschland Ramage, Jane and Richard Levy, and many other members of the Cone and Lindau families for their collaboration and contributions to these exhibitions.

"For a small town like Blowing Rock, we are very fortunate to have such a fine facility filled with dedicated staff to make this significant contribution. We are proud to have a museum of such stature."

*"Well! Weren't you surprised to hear we are really coming to Europe—  
Would Doctor Claribel like to go in a crowd?  
I think it would be fun, don't you?"*
